

Stevenage Resource Centre

A single multi-purpose bathroom to suit the needs of a wide cross section of people with disabilities visiting the centre on a daily basis.

Used as a test room to help local community O.T.s make better decisions on their clients' home adaptations.

Surveyor:
Mouchel Consulting Ltd
Stag House
Old London Road
Hertford SG13 7YY

Client:
County of Hertford
County Hall
Hertford SG13 8DE

Challenge

- ▮ To provide a solution which meets the needs of multiple users with widely varying degrees of dependency

Solution

- ▮ All track based products:
- ▮ R7565 Shower chair
- ▮ RT104/RT600 Shower rail
- ▮ R3548 Support arms
- ▮ R9310 Half-height shower curtain
- ▮ RT225 Opening shower curtain rail
- ▮ R4760 Wash basin bracket
- ▮ R2050 Ergonomic wash basin
- ▮ RT621 Tap, long rotatable sprout
- ▮ RT641/RT610 Shower mixer and head
- ▮ Shelving

Effect

- ▮ The carers and visitors to the day centre have a bathroom that can adjust to suit individual needs.
- ▮ The O.T.s are more likely to specify the right solutions for their community clients without making costly mistakes.
