

Beeston Hill St. Luke's Primary School

A mainstream primary school which now has two children with disabilities integrated into a standard educational setting.

Occupational Therapist:
Child Therapy Dept.
Clarendon Wing
Leeds Royal Infirmary
Great George Street
Leeds

School
Deputy Head Teacher
Beeston Hill St. Luke's Primary School
Beeston Road
Leeds

Challenge

- ▮ The school wanted to find a Hygiene Room solution that would suit not just today's children but also future pupils' needs

Solution

- ▮ R1714 Electric nursing bench
- ▮ R3548 Support arms
- ▮ R9310 Half-height shower curtain
- ▮ R7566 Shower chair
- ▮ RT104/RT600 Shower rail
- ▮ RT756 Shower mixer bracket
- ▮ R4660 Electric wash basin bracket
- ▮ Accessories

Effect

- ▮ The room design allows for both independent and dependent use.
- ▮ The Hygiene Room was a major contributor to these children receiving a "normal" education.
- ▮ The staff were able to help the children in the most positive environment.
